## A Message From the Mayor

As Mayor of Toronto it is my great pleasure to formally welcome all Summit participants, partners and the International organizing Committee to Toronto for the second-ever G20Y Summit.

We are very proud that Toronto will host the second G20Y Summit for young business leaders, financial experts, and all the young people from around the world committed to positive and productive international relations. On behalf of the City of Toronto, I look forward to completion of the final communiqué and the innovative ideas it will surely bring to future world development.

As Chair of the C40 Cities Climate Leadership Group I know the G20Y Summit, will become an extremely important instrument for sustainable development, as following the G20Y Summit participants will continue to cooperate in fulfilling their communiqué initiatives both in their respective nations and internationally.

I look forward to officially welcoming you in Toronto in April, 2010.

Mayor David Miller
